DETAILED ACTION

Response to Amendment

1. This Office Action is in response to Paper filed 17 March 2003. Applicant's amendment of claims 20-46 is acknowledged. Claims 20-46 are under examination.

Withdrawal of Objections and Rejections

2. All objections and/or rejections are withdrawn.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: Applicant's argument that any attempt to remove protease inhibitors from the preparation would not result in their absolute removal is deemed persuasive and rooted in the scientific principle of equilibrium theory. Thus, the claims are allowable because the preparation would be free of the recited inhibitors while maintaining an activated activity of 50 U/mg and less than 5% Factor VIIa.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Claims 20-46 are allowed.
